1. What is your connection or interest in this case? * For example, are you a customer of the Company that is the subject of this pending proceeding? (This section must be completed. Attach additional information if necessary.)

We are a customer of Dominion Energy.

2. Please give a concise statement of your protest. * (This section must be completed. Attach additional information if necessary.)

We own our home but as a retiree our income is very limited. We had solar panels installed on our roof as a means of saving on our energy bill. When Dominion bought SCE&G we thought they wanted to help their customers reduce their energy cost. Our energy costs have lowered at a slow rate, especially during the summer months. If Dominion adds a tariff those savings will disappear. My wife and I are both elderly, 84 & 93, so we are always looking for ways to reduce our expenses.

3. Do you wish to make an appearance at a hearing in this proceeding, if scheduled, and offer sworn testimony? *

No, neither of us is physically able to make an appearance at the hearing.
